RE: Release of financial obligations for:

Norplex Div. - UOP, Inc.

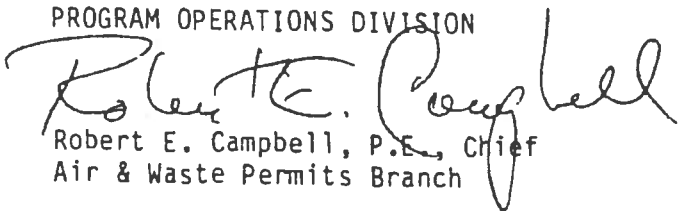

IAD073489288

Dear Mr. Harrington:

The above referenced facilities have requested termination of interim status as TSD facilities, and as such, have undergone 124 Public Notice Procedures. Since each listed facility had requested its interim status to be terminated prior to November 16, 1983 (date financial regulations became effective for the State of Iowa), this Department is of the opinion that each has completed the necessary requirements for its removal as a TSD. If you have any misgivings concerning this Department's opinion, please document your concerns. If we do not receive such documentation within thirty (30) days of this letter's receipt, we will consider the above facilities completely removed from TSD status and we will begin notifying those facilities still maintaining financial obligations.

Sincerely,

PROGRAM OPERATIONS DIVISION

Robert E. Campbell, P.E., Chief
Air & Waste Permits Branch
